Dear Mrs Boniface,

We have been referred to you by Shiehaam Brown. We met with MEC Gabru and Ms Sophothela in regard to the windows in Luhlaza school. We have today sent the full details and proposal to Ms Sophothela.

Please find attached:

- Letter sent today to Ms Lindela Sophothela with details of costs and final proposal.
- Letter originally sent immediately after our meeting with MEC and Ms Sophothela on Sept 29 2008.
- Quotations.

As I said to Ms Sophothela, our members, which are in every high school in Khayelitsha, join us in expressing our appreciation for your willingness to assist in this matter. These young people feel that their voices have been listened to, and that their democratic rights have been affirmed by their government.

We offer ourselves as partners in fixing the education system.

Sincerely,

Doron Isaacs
